

Dear Travelers and Parents/Guardians,

We thank you for taking time out of your schedule to meet with us last night as we begin our preparations for our summer adventures.

A few things to sum up and note for you:

1. We set up a new email (as you can tell)--adventureandlearn@gmail.com. You can send your electronic copies of your passports and any questions you have here! (If you have already sent a copy you do not need to send it again!)
2. Our Weebly is a great source of information for you. The resources and documents we provide can be found there. We suggest bookmarking it on your phone/computer. <http://europe2017dbhs.weebly.com/>
3. The presentation from last night is on the weebly or can be accessed [HERE](#).
4. Please complete the information in the two links below ASAP. These are the same links we sent out in January. If you have already completed then you do not need to complete again.
 - [Europe 2017 Participant Information](#)
 - [Europe 2017 Health and Medical Profile](#)
5. We plan on having two more large group meetings. We will firm up dates in the next two weeks and get those to you. Our plan is have meeting near the beginning of April and mid-May (before exams and end of school).
6. We will collect the tip money at the May meeting.
7. Please login to your trip website and make sure all your contact information is complete-especially student emails.
8. Student travelers should plan to have lunch in Mrs. Nash's room (W186) on March 3rd. We will do some ice breakers and start taking rooming requests. We will ask students for rooming combinations of 2/3/4. (Remember: we will be in our room very little, but flexibility may be asked of the travelers. We will do our best

to keep everyone happy!). We will order pizza. Please bring \$2.00 to help us cover the cost. Remember to bring a drink!

9. FEBRUARY 18th:

- All payments for students on MANUAL payment must be paid in full.
- All passport information must be confirmed and must be exactly the same as your name on your EF tour website. This important step will save any fees that would occur because of tickets and passports not matching or delay your travel. *Please login to your trip website and complete this important step.*

10. Please continue to send in the colored copy of your passport and a copy (front and back) of your child's insurance card.

NOTE: Someone left a gray sweater in the media center last night. It is in Mrs. Nash's room if you want to send your student by to pick it up.

Have a great weekend!
